COMMUNICATION REGARDING REPLACEMENT DRAWING

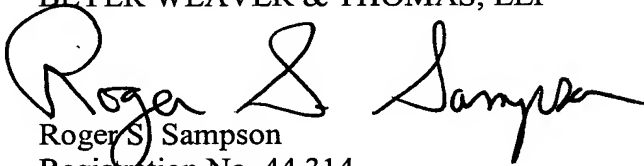

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Notice of Allowability in this case indicated that the drawings are acceptable to the Examiner. However, upon final review of this application prior to paying the Issue Fee, it was observed that Fig. 3 includes hand-written numerals. Although these numerals are legible and have been accepted by the Examiner, a replacement sheet for Fig. 3 is attached that replaces the hand-written numerals of Fig. 3 as filed with numerals generated by Visio®. Applicants would prefer that the replacement Fig. 3 be used for the publication of this patent. Thank you for your cooperation.

If any fees are believed to be due in connection with the filing of this paper, the Commissioner is hereby authorized to charge such fees to Deposit Account 500388 (Order No. NOVLP078).

Respectfully submitted,
